FARM SCHOOL IN SOUTH PROPOSED

ASSEMBLYMAN JOHN R. WHITE HAS MEASURE TO SECURE COLLEGE IN VALLEY

READY FOR ACTION

SUM OF $300,000 IS WANTED TO BUY 320 ACRES FOR UNIVERSITY SITE

Assemblyman John Robert White of Glendale will today, according to a dispatch from Sacramento, introduce in the assembly a bill providing for the establishment of a university farm in the San Fernando valley to consist of not less than 320 acres and at an initial cost not to exceed $300,000.

Senator Carr of Pasadena is scheduled to present the measure in the senate.

Figures compiled at Sacramento show that 80 per cent of the students attending the college at Davis, the present farm school, are from southern California. Therefore, it is the desire to have a branch located in the southland.

Title Explains Its Purpose

The title of the bill to be presented by Assemblyman White explains its purpose as follows:

"An act providing for the purchase of a university farm for the use of the college of agriculture of the University of California, providing for the appointment of a commission to select and purchase said farm, providing for a junior college of agriculture, and a system of instruction, and the erection of proper buildings on said farm, and purchasing of equipment, and appropriating money therefor, said farm to be located in the San Fernando Valley, Los Angeles county."

Provision is made for the appointment of a commission of five members, the following to be named: Los Angeles county farm adviser; president of the Los Angeles Chamber of Commerce, head of the division of pomology and head of the division of

MANY ON TRIP

PARTY OF SEVENTY-EIGHT GO FROM LOCAL SCHOOL TO U. S. BREAKWATER

A party of seventy-eight, including the members of Professor Alfred Cookman's science classes and their friends and chaperons left Glendale high school early Saturday morning on a combined observation and picnic trip to Point Firmin and the government breakwater at San Pedro. The main object of the trip was to study marine life at ebb tide. Among some of the specimens secured were two brittle stars, thirty-five starfish, four sea urchins, 150 hermit crabs, five sea hares, fifty shells, etc.

The party included Valeria Trimmer, Mary Stanley, Alice Parker, Clarice Hanson, Viola Johnston, Marjorie Jones, Lillian Tracy, Mary Sherrick, Geraldine Woollard, Wesley Havermale, Karl Bernett, Arlin McCormick, William Skinner, Gladys Jones, Adelaide Gibson, Charlotte Cleveland, Evelyn Horning, Irene Whitney, Alice Bagley, Gertrude Ashton, Helen Engle, Edith Busch, Alma Engle, Josephine Emery, Agnes Caldwell, Anna Merriken, Margaret Brown, Lois Naudain, Evelyn Thomas, Esther Jones, Janice Cecil, Evelyn Traver, Francis Giiman, Edward Woodward, Jack Kinney, Harold Jones, Glenn Roberts, Masarn Horii, Frank Richardson, Calvin Foss, Reed Bullard, Erma Snow, Mildred Elliott, Margaret Kinney, Georgina Donston, Margaret Wilson, Leslie McQueen, Adams Balton, Sherwood Ball, Charles Titus, Donald Tyler, Eugene Flynn, Eugene Baron, Sylvia Jackson, Eunice Caldwell, Ruth Waterman, Olive Bell Emery, Frederick Stofft, Garnet Peters, Louise Wimmer, Grace Judd, Mary McCoy, Rachael Hyde, Ruth Jackson, Boyd Taylor, Sarah Allen, Pat Patrick, Ruth Wilton, Jean Wilton, Mildred Finn, Walter Tyler, Beulah Warren, Professor and Mrs. Cookman, Mildred Elliott, Miss Harrison, Mrs. Packer, Mrs. R. M. Brown.

POLICE STATION IS ATTACKED

CORK, Jan. 17—A police station in the center of the city was attacked by Sinn Feiners at 4 a. m. today. The attacking force threw bombs and fired hundreds of shots. After a fight lasting half an hour the police, aided by troops who hurried in armored motors, repulsed the attackers. The casulaties were not ascertained.

Major Lineberger, Candidate For Congress, Glendale Visitor; Dinner Planned Tonight

Major Walter F. Lineberger, candidate for congress in the ninth congressional district, which includes Glendale, at the special election to be held February 15, is in this city today meeting a number of citizens. Local Republicans are introducing Major Lineberger to Glendale residents.

Tonight at 6:30 o'clock a ratification dinner will be held in the White Inn with Major Lineberger as the guest of honor. He will make an address and brief talks will be given by a number of others, including delegates from Republican clubs of other sections in the district.

Immediately after the dinner, a public reception will be held and those unable to be present at the dinner will have an opportunity of meeting the candidate, who was nominated by 360 delegates chosen from every city and community in the district at a Republican conference held in Pasadena. He is also indorsed by the Republican state and county central committees.

"It is my view that the United States as a whole must get back to Republican protective tariff principles as speedily as it may be done," said Major Lineberger in talking with an Evening News reporter today. "California needs Republican congressmen more than any other state in the union, because of its growing of lemons, oranges, walnuts, beans and other foodstuffs."

Being an engineer, and as past president of the Long Beach harbor commission, Major Lineberger understands the needs of the Pacific coast harbors, with the interrelating questions of flood control, conservation of water and reforestation.

Regarding the prohibition question, Major Lineberger's position is well known. He realizes, he said, the great moral and economical results already obtained, but further holds the fight to maintain the dry amendment must go on, as the wets are striving to turn the nation back.

"In this fight for the maintenance of the dry amendment and for the strengthening and enforcing of the Volstead act, I am determined to continue to give the best that is in me," said Major Lineberger, "whether I am elected or not."

Major Lineberger is a past commander of the American Legion and he declares that he will make it one of his first duties to see to it that bills advocated by the ex-service men are given a fair and square deal.

Many reservations have been made for the dinner tonight, the committee in charge being headed by W. E. Evans of this city.

PAVING OF ROAD HERE COMPLETE

HIGHWAY BY WAY OF IVANHOE TO BE OPEN TO TRAFFIC WITHIN FEW DAYS

NAMED AFTER CITY

GLENDALE BOULEVARD CHOSEN AS OFFICIAL TITLE FOR ROUTE FROM L. A.

The concrete roadway on Glendale boulevard from the south city limits across the Los Angeles river at Ivanhoe and up through and over the hills to connect with Ivanhoe avenue is completed, but will not be opened to traffic for a few days.

When it is opened it will provide a short line between Glendale and the heart of the Los Angeles business district.

And by the way, the Los Angeles city council recently passed an ordinance establishing Glendale boulevard and the street signs so designating it have already been put up.

Named in Honor of City

This highway, named in honor of Glendale, extends from the junction of First and Second streets in Los Angeles north to Ivanhoe avenue, out northwest over that thoroughfare past Silver lake and Ivanhoe to Glendale.

It does away entirely with Lake Shore avenue, Glendale avenue and Ivanhoe avenue in Los Angeles and also takes in the portion of Allessandro street south of the last named avenue.

S. ALICE NORTON WRITES IN APPRECIATION; EXPECTS TO LOCATE IN GLENDALE

Writing from Oneonta, New York, S. Alice Norton informs The Evening News as follows:

"I am writiing you to tell you how much we are enjoying The Evening News and by the time my subscription expires I am in hopes of being a resident of Glendale. I thank you for being so prompt in sending my paper."

The letter shows the wide circulation of The Evening News and, too, is of further interest because of the fact that it indicates the city of Glendale will, in all probability, have the family of S. Alice Norton for residents.

BRIAND CABINET IS COMPLETED

PARIS, Jan. 17—Aristide Briand completed a cabinet today to be presented to the French chamber for approval tomorrow. Should the chamber refuse to approve the Briand cabinet, it was believed President Millerand would have no choice but to name former President Poincare as Premier.

CHIROPRACTORS FREED BY COURT

A. D. COCHRAN AND H. ST. CLAIR ARE GIVEN LIBERTY AFTER HEARING TESTIMONY

VIEWS OF JUSTICE

JUDGE H. M. MILLER ASSERTS ACCUSED DESERVE FREEDOM; URGES STATE BOARD

Charged, it is said, at the instigation of the state medical board with using an unlawful method of treating sick persons and being without a license to practice, A. D. Cochran and Harry St. Clair, local chiropractors, were given a hearing before H. M. Miller, justice of the peace, on Saturday and, after the taking of testimony from a number of witnesses and the presentation of evidence, both were discharged from custody and their cash bail ordered returned.

As the result of the hearing, Justice Miller declared he intends to write a letter to John Robert White, assemblyman from this district, reciting facts he has obtained from this and other cases and urge that a state board be established before which chiropractors and other drugless healers may appear, their qualifications passed upon and licenses to practice issued to them.

Opinion Given by Court

In deciding that Cochran and St. Clair be discharged, Justice Miller said:

"The court believes that chiropractors should not be classed with charlatans and fakirs. This science of healing is recognized in many jurisdictions and many people believe in its efficiency. It is not suggested on the record that the practice of the science is in any way deleterious to the human body. Our statutes undertake to provide that no one shall practice any healing art until he has been examined by our state medical board and duly licensed. As a condition to obtaining a license,

New System Is Put Into Effect Handling Special Delivery Mail

A new system of handling special delivery letters has been inaugurated by the postoffice department at Washington. It is effective today.

Under the new system no receipt will be taken for special delivery mail, and where personal delivery cannot be made by special messenger, the mail will be left in the receptacles provided for mail deliveries. If the addressee has no mailbox at his address, the special delivery mail will be taken back to the postoffice, where it will be turned over to the regular carrier for delivery.

The instructions sent out from the department say:

"Postmasters will give all possible publicity to the fact that special delivery mail will in the future be delivered without receipts and will be left in regular mail receptacles when personal delivery cannot be effected; at the same time emphasizing the fact that the special delivery system is designed to expedite, and not to safeguard mail; that the registry system is provided to insure safety, and that mail containing currency or other articles of value should invariably be registered."

Report Two Burglaries

G. Rosenberger of 1424 South Glendale avenue reported to the police that his home was robbed last night, the thieves securing a revolver, Waltham watch, brass-mounted handgrip and "several quarts of good whisky." Mr. Rosenberger stated to the police that he never locked the doors of his house, so the thieves had no trouble in entering.

Another robbery was attempted last evening, also, at the home of Mrs. Estella Goodman, 645 North Central avenue. The thieves were scared away as they were making off and dropped two suitcases stuffed with articles they had stolen.

CONFERENCE IS POSTPONED

PARIS, Jan. 17—The inter-allied conference scheduled originally for Wednesday will be postponed to early next week, the French foreign office declared today. The delay will permit reformation of the cabinet.

FOUR MEN SHOT IN ATTEMPTED HOLD-UP

(Special Service to Glendale Evening News)

MARTINEZ, Cal., Jan. 17.—Four men were shot, one perhaps fatally, when two masked men attempted to hold up a friendly game of cards in the Italian hotel here early today. Both of the alleged bandits were wounded and one may die. Seven men were playing when the two bandits burst into the room. Instead of obeying commands to held up their hands, the players opened fire. James Tomacco and Tony Aldi, a deputy sheriff, were the players wounded. Santiago Estrada, one of the bandits, who was armed, was perhaps fatally wounded, and the other, Joe Marillo, who was unarmed, was slightly wounded. Joe Silvesto, another card player, suffered a flesh wound.

EMERGENCY TARIFF BILL IS REPORTED OUT

(Special Service to Glendale Evening News)

WASHINGTON, Jan. 17.—Senator Penrose today reported the emergency tariff bill from the finance committee. Penrose gave notice that "at an early date," he would move to make the bill the unfinished business of the senate and would "make every effort to push it to an early passage."

FORD COMPANY IS DISTRIBUTING BONUS

(Special Service to Glendale Evening News)

DETROIT, Jan. 17.—Two thousand employees of the Ford Motor Car company today received their portion of the $8,000,000 bonus for 1920. The bonus was said to have averaged $125 per man. The company will continue paying the bonus each day until all employees have been paid.

PIANO RECITAL

PUPILS OF MRS CUNNINGHAM ENTERTAIN RELATIVES AND FRIENDS ON FRIDAY

Pupils of Mrs. Eva Cunningham, 114 North Orange street, entertained friends and relatives last Friday evening with a very creditable and enjoyable piano recital in the demonstration rooms of the Glendale Phonograph & Piano company, 109 North Brand boulevard.

A large number of guests enjoyed the well balanced program, which was made up of representative numbers suited to the age and the skill of the students.

Numbers were given by Misses Marian Ballard, Helen White, Portia Chambers, Marcia Crocker, Alma Louise Abell, Marguerite Chappell, Isabelle Livingstone, Virginia Caldwell, Edith Palutzke, Beatrice Case, Shirley Preston, Rebecca Brant, Irene Robison, Elizabeth Walker, Shirley Hitchcock, Helen Robison, Louise Dair, Gladys Woodyard, and Masters Ralph Cunningham, Carroll Toll, William McRae, Jr., and Stanley Livingstone.

Enthusiastic applause rewarded each selection given, for all seemed agreed that great progress was being made in the children's musical training.

FOR BIRTHDAYS

FEATURE OF DINNER HELD BY G. A. R. IS CELEBRATION OF ANNIVERSARIES

A very pretty feature of the dinner at the G. A. R. installation ceremonies on Friday was the celebration of the birthdays of three of the comrades.

The dinner committee, with Mrs. Susie Peck and Mrs. Tena Hammond as chairmen, had arranged the seating so that two of the birthday celebrants and their wives had seats at either end of the table, while the third one and wife occupied seats in the center.

Comrade C. R. Norton sat at one end, and before his place was a beautiful birthday cake made by Mrs. C. L. Peckham, and decorated with the flag carried by Guy Pixley during all the time of his service in France.

Comrade J. L. Denney sat at the opposite end. The lovely birthday cake at his place had been made by Mrs. Denney and Mrs. Norton, and was embellished with the initials of both their husbands and the number of their years—77 for Comrade Denny and 75 for Comrade Norton.

Midway between these two celebrants was the seat of Comrade R. L. Milligan. His daughter, Mrs. O. M. Carpenter, had made the cake which graced this place. It was an elegant "brownstone front" cake, and its decorations were of similar design—Comrade Milligans initials and the number 74, signifying the years of his life.

POSSE TRAILING TWO SLAYERS

LOS ANGELES, Jan. 17—Posses of armed men are searching the desert, canyons and foothills leading up to San Jacinto mountains for two auto bandits who killed Francisco Ceja and wounded Julia Hernandez.

SETS MARK HERE FOR RECRUITING

SECURE GLENDALE GUARDSMEN IN LESS THAN ONE MONTH, ESTABLISHING RECORD

NAMES OF MEMBERS

ARMORY TO BE OBTAINED BY STATE; BOTH SOCIAL AND ATHLETIC FEATURES

In less than a month of recruiting, a national guard company has been formed in Glendale, thus establishing a record which the city may be justly proud of. The Burbank company, which has held the record heretofore, took two months to form. Capt. T. D. Watson has had charge of recruiting and is in command of the company.

In a short time a movement to procure an up-to-date armory will be started; in the meantime a suitable hall will be secured to use as club rooms and the drilling will be done at the high school gymnasium. In about ten days the company will be mustered in by a regular army officer and some kind of an entertainment will be given at that time.

Athletics will be catered to as the company already has material for good teams in baseball, basket ball and football. In fact, a basket ball team has already been formed and application made for entry as a team in the A. A. U.

MUSIC SECTION

MRS. C. A. PARKER IS HOSTESS TO CLUB'S DEPARTMENT; PROGRAM PLEASING

Mrs. C. A. Parker was hostess on Friday tto the Music Study section of the Tuesday Afternoon club, at her home, 212 North Orange street.

Mrs. Charles Lee Marlenee, curator of the section, presided at the business meeting, at which members voted to give an entertainment in May for the benefit of the building fund of the Tuesday Afternoon club.

Indian music was the interesting subject of the afternoon's program, which was enjoyed by an unusually large and appreciative audience.

Mrs. Cole's beautiful soprano was heard to advantage in Cadman's Indian songs. Mrs. A. H. Montgomery, in very effective Indian costume and make-up, gave a reading, the beautiful legend of Winona, the story of the settling of Duluth, in her own inimitable way.

Mrs. Dorothy Armstrong Welcome, of Los Angeles, contributed to the program a violin solo, the Kreisler arrangement of Dvorak's "Indian Lament." She graciously responded to an insistent encore with Kreisler's "Liebesfreund."

Refreshments were served by the hostess.

V. M. Tresslar Returns

V. M. Tresslar, insurance man, 320 West Lexington Drive, returned last night from a business trip to Chicago.

"Although I was fortunate in finding comparatively pleasant weather in the east," said Mr. Tresslar, "I am glad to get back to southern California and Glendale."

Mr. Tresslar remarked about the lack of paint on houses in cities in the middle western states and declared he was pleased to return to Glendale, where everything is spick and span.

AIR SERVICE AT BERKELEY

BERKELEY, Cal.—The University of California will become the West Point of the air service, both on account of the extensive training planned for the institution next semester, and on account of the popular interest in aviation here, according to army officers interested in the service unit of the Reserve Officers' corps to be opened next semester. The school will be the largest of four schools in the United States, it is reported, the others being at Massachusetts Institute of Technology, the University of Washington, University of Illinois and the Agricultural and Mechanical University of Texas.

The United States is far in the lead of other countries in commerce with Chile. The annual report of the superintendent of customs of Santiago shows that we supplied nearly half of Chile's total imports of $146,483,331.

LOWER EARNINGS

REDUCTION IN REVENUE SHOWN ACCORDING TO ESTIMATES BY BUREAU DIRECTOR

The railroads of the country earned only about $150,000,000 last year, or $365,000,000 less than in 1919, accoding to estimates prepared by H. P. Parmelee, director of the Bureau of Railway Economies, and made public recently.

Mr. Parmelee estimates that in 1920 the carriers had a gross revenue of $6,200,000,000 and expenses amounted to $5,570,000,000, leaving a gross income of $450,000,000. Deduction of taxes and equipment, rentals, amounting to $300,000,000, left the net income at $150,000,000. This sum was far short of the government guarantee for the six months' period ending September 1.

During November Mr. Parmelee said, the revenue of the roads was $585,000,000 and expenses, $505,000,000, leaving a gross revenue of $80,000,000. Net operating income was placed at $59,000,000.

Romance Is Like Movie

HOUSTON, Tex.—A prodigal son has come to Houston—but he's only on a visit—and he's not prodigaling.

Early this century, Clarence Burgheim, graduating from high school here, decided he didn't want to spend wearisome hours learning to be a doctor. But his father wanted him to become a doctor. He disappeared.

In 1902 Burgheim was seen in Corinto, chief Nicaraguan port. A friend of the family who saw him, unkempt, ragged, predicted the son would arrive home soon a prodigal.

In 1910 Burgheim was next heard from as a physician to the revolutionary forces of the republic. Then he was made surgeon general of the rebel forces. In the eight years his family was expecting the prodigal, Burgheim had attended Nicaraguan medical schools. During fighting, the revolutionary forces surrounded a stone church and were making a fight for possession. Suddenly a girl appeared, running across this "No Man's Land." A bullet struck her. Burgheim saw her. And like a movie hero, he rescued her through a shower of bullets. His surgery saved the woman's life. Romance blossomed. The revolution was successful. The girl's father, Diego Manuel Chamorro, has been elected president of Nicaragua. They were married a year after he saved her. He was sent to New Orleans as consul general.

While in New Orleans he came home—as the prodigal son. But the home folks had to kill two calves—he brought his family.

EATS ELEVEN ELECTRIC BULBS

DOUGLAS, Ariz.—Private John Gill of the First Cavalry, formerly of Chicago, who November 18 was reported to be in the army hospital at Camp Harry J. Jones after having devoured 11 electric light globes, died the other night. Death, however, was not attributed directly to glass eating, a practice Gill is said to have followed as a civilian showman.

It was owing to cattle refusing to drink from an impregnated spring on Epsom common in 1618 that Epsom salt was discovered. Doctors examined the spring and in consequence of their verdict all the aristocracy of England were hurrying to Epsom a few years later to take the waters.

Mr. and Mrs. Bert Darby, of Los Angeles, B. G. Hardy and his sister, Miss Blanche Hardy, were dinner guests yesterday of Mr. and Mrs. R. W. Meeker, 1320 E. Colorado St. The Hardys are relatives of the Meekers, and Mr. Darby and Mr. Meeker are old school friends. The Darbys have recently purchased a part of the Larky place in North Glendale, where they will build a home, and make Glendale their permanent residence.

Among the many delightful affairs of the past week was a dinner party given by Mr. and Mrs. Robert S. Jensen at their home, 227 North Kenwood street. The guests were Mr. and Mrs. W. P. MacMullin, Miss Helen Delaine, Mr. and Mrs. Andrews of Pasadena and Mr. and Mrs. Robert Jensen, Sr., of Los Angeles. After dinner the guests were entertained at a box party at Jensen's Pasadena Theatre.

Mr. and Mrs. Frank Gorman, formerly of this city, who have just moved into their lovely new home on Santa Anita boulevard, near Monrovia, were honored Saturday evening by a group of Glendale friends who gave them a surprise housewarming party and presented them with a chest of silver. Those in the party were Mr. and Mrs. Jack West, Mr. and Mrs. R. D. Angelica, Mr. and Mrs. Arthur Dibbern, Mr. and Mrs. Chas. W. Monahan, Miss Mildred Crawford, Mr. and Mrs. T. Watts, Mr. and Mrs. Avery, Mr. and Mrs. Jack Hearnshaw and Mr. and Mrs. W. H. Boothby. Dancing was enjoyed during the evening.

Another Gain Is Made

At the Central Christian church yesterday the Bible school registered another substantial gain in attendance. The entire offering of nearly $60 was given to the Near East Relief fund.

At the morning church service Rev. W. W. Noacker of Los Angeles spoke on the Near East question, presenting especially the desperate condition of Armenia, where our own workers are caring for 250,000 children, while 110,000 more need care. He spoke also of the thousands starving in China, Austria and Poland, closing with an appeal to his hearers to aid in the work of raising funds for this worthy cause.

At the evening service Pastor Clifford A. Cole delivered the third sermon in the series on early conversions, the subject being "Conversion of Christianity's Foremost Champion." The wonderful conversion of Saul of Tarsus, afterward Paul the apostle to the Gentiles, was related, and the early life of this great Jewish apostle touched upon. Many useful lessons were drawn from his life and work.

ARREST 4 MEN, WOMAN, 2 GIRLS
LOS ANGELES, Cal., Jan. 17—Four men, a woman and two girls were seized when detectives of the police flying squadron raided a hotel on Broadway here today. The arrests were made at the request of E. C. Gearey, whose daughter, Dorothy, was one of those taken into custody. The men and woman were charged with contributing to the delinquency of the two girls, and the latter were lodged in the juvenile hall as delinquent minors.

FEEDS ALFALFA TO TREES
REDLANDS, Cal.—Feeding a ration of sixty pounds each of alfalfa a year to his orange trees by Thomas Sanborn, manager of a ranch here has aroused the curiosity of local residents. But Sanborn declares his experiment has proven a great success. He used it to increase the root growth of his trees and has found that the growth has shown a large increase this year. Next year he declares he expects an increase in fruit yield. The chief value, said Sanborn, is that the alfalfa prevents the soil from packing and gives the trees a chance to get breathing space.

Plea for Square Deal

Reverend Father J. S. O'Neill in his sermon yesterday at the Church of the Holy Family touched upon the anti-Semitic propaganda now extant in this country, and made an eloquent plea for "A square deal for the Jew," citing the plain facts of the constitution of the United States as against this narrow, intolerant, unjust movement.

Such propaganda Father O'Neill branded as un-American as well as un-Christian and unbecoming the people of this enlightened age and this free country in which we live. He protested against this stirring up of race hatred and this unjust treatment of a body of people who are as good American citizens as any in the land. He exhorted his audience to do all in their power to discourage this disgraceful movement.

A protest against the anti-Semitic movement was made public last night by John Spargo, noted Eastern Socialist writer, bearing the names of President Wilson, W. H. Taft, Cardinal O'Connell, President-elect Harding and 116 other prominent men of the country. Secretary of State Colby sent his approval from South America by cable. Among others who signed the protest were Secretary Baker, Secretary Meredith, former Secretaries of State Bryan and Lansing, former Secretary of War L. M. Garrison, former Secretary of the Interior Franklin K. Lane, former Attorney General George W. Wickersham and a number of college presidents.

BANDITS KILL TWO DETECTIVES
TOLEDO, Ohio, Jan. 17—Three bandits killed Louis Schroeder and A. E. Long, New York Central railroad detectives, and escaped with $12,000 here today.

Look Before You Cross

A rather novel contribution to the current discussion of how to lessen automobile accidents is made by a New York physician. It is to employ the power of repeated suggestion in an effort to make the public more careful. For fifteen years he has gone on his daily round about the metropolis on the front seat of an automobile, sitting with his chauffeur, "for the reason that the utmost attention is required on the part of both to prevent us from more or less damaging the New York City pedestrian. Up to the present time we have not damaged a single individual, but we are not at all sure about tomorrow. There are those who use our streets who apparently insist on being run over, if one is to judge from their indifference to their surroundings, continues the doctor. As he sees it from the front seat of his car, about 10 per cent of accidents may be laid at the door of the automobile driver and the rest are due to absence of concentration on the part of the pedestrian.

Here is where he believes a policy of organized suggestion would come in. He would have every newspaper print conspicuously on the front page daily, "before you cross the street today look carefully to right and left." He would have the same warning flashed on motion picture screens and posted up in all the schools and public buildings and the sign displayed on every third lamp post. Within a few days, he believes, every person who is not blind or illiterate would involuntarily look to right and left before crossing a street. He would do so because he could not help it; it would have become a habit.

Even if such a scheme of publicity is not adopted, self-education of every individual in this common sense precaution is possible, and obviously acquirement of the habit would reduce automobile accidents to the minimum.

Lions are the only animals of the dog family to have circular pupils when their eyes are contracted.

Others Have Also Signed

There are still a number of others who have signed but have not yet been examined or sworn in.

As the company is now an established fact a great many men who have held off will now undoubtedly join. As stated some time ago, the plan is to have two platoons, and enough of the different ages have already signed up to enable this plan to be carried out. While the minimum number has been passed there is still room for more men before enlistments will be refused. This ought to appeal to most any one eligible, for the United States government furnishes a complete equipment and also payment for drills as well as giving ample allowance for armory rental. The member has nothing to pay.

During the summer the men go on a two weeks' encampment with all expenses paid and full army pay, according to grade.

Various kinds of social affairs will be given frequently for the members and their lady friends at which the men will attend in uniform. An armory building of sufficient size and suitable location will be of great benefit to Glendale as it would permit the bringing of conventions and large gatherings to Glendale which have in the past been kept away on account of lack of a suitable building in which to hold them.

Float Benefit Tickets

Tickets for the float benefit matinee to be given Thursday afternoon by W. A. Howe, manager of the Glendale Theatre are going well.

This is as it should be. Every Glendale citizen, surely, is interested in seeing the bills incurred in the making of Glendale's prize-winning float paid off, and this matinee, whose entire proceeds go for this purpose, affords an excellent opportunity to raise a very substantial part of the money to pay this debt, says the committee.

Tickets are only 28 cents. Three cents in the war tax, leaving 25 cents on each ticket for the float fund. If possible, buy your tickets from the school children, in order to encourage them to sell more. Tickets may be bought at the box office of the Glendale Theatre, however, and every cent of the ticket money taken in at the box office goes to the float fund, just the same as the money for the tickets sold outside.

Those attending the matinee will have a chance to hear the marvelous new organ speak at the command of its presiding genius, Madame Maud Moore Clement, who is on the program for special numbers as well as for accompaniments for the pictures.

The pictures for this matinee program are specially chosen for the occasion: Bessie Barriscale in "The Woman Michael Married," the latest Pathe News and a Century comedy, "A Blue Ribbon Mut."

The time for the matinee has been changed from half past two to three o'clock in order to give the school children who are working so hard selling the tickets a chance to attend the matinee.

A peculiar product of the vegetable world is what is known as the "black boy" tree, which flourishes in the state of western Australia. It is, in fact, a species of the grass tree, and grows to a normal height of seven to ten feet, and is found to the useful for a variety of purposes.

Among the latest war terrors is a submarine tank, perfected by the French. It is able to crawl along river and lake beds and suddenly appear in the midst of an enemy to open fire with powerful guns.

FREED BY COURT

JUSTICE H. M. MILLER GIVES HIS VIEWS IN REGARD TO ARREST OF LOCAL MEN

(Continued from Page 1)

the applicant must pursue a course of study covering many subjects. Chiropractors have no occasion to apply much of this learning.

Not Injurious to People

"The court is of the opinion that since their treatments are not injurious to anybody and since they do not operate, give medicine or subject the body to injurious manipulation, the requirement that they study and be examined on subjects in no way pertaining to their occupation is an arbitrary and unreasonable attempt to restrict their liberties and the liberty of the people who wish to patronize them. Such regulation has no reasonable tendency to promote the public safety and welfare.

Rights of Legislature

"The court recognizes fully the powers of the legislature to recognize the practice of chiropractics by appropriate legislation. A board may be created to do this or the present board empowered to regulate this profession under suitable regulations. An innocent business, however, cannot be prohibited under the guise of regulation. Our statutes, therefore, if they may be said to prohibit the practice of chiropractics, are invalid to this extent."

The arrest of Cochran and St. Clair was caused by representatives of the state board, it is said, and search warrants were obtained to permit a search of the offices of the accused. No medicine was found, however, the testimony showed.

Witnesses declared that they had taken treatments from both Cochran and St. Clair, and had been benefited.

"These men are not guilty of a crime," declared Justice Miller. "It has been shown that they have helped humanity. Understand me, if a case is brought to my court and it is shown that injury has been done or that there was fraud, I would take another view of the matter. But in these cases it was clearly shown that humanity was benefited, that those who were ill were helped. It was due humanity that these men be not sent to jail."

Justice Miller is today gathering information regarding the chiropractic question and will forward his findings to Assemblyman White, together with the plea that a separate board of examiners be established for passing upon qualifications of the drugless healers.

DEBATING CLASH

GLENDALE HIGH SCHOOL AND HOLLYWOOD TEAMS MEET HERE JANUARY 28

Four contestants in the try-out for Glendale Union High school's debating team met in the auditorium. They were Francis Read, C. G. Farrow, George Jordan and Paul Hutchinson. They were three judges and they selected Francis Read for one of a team of two. Jordan and Hutchinson tied for second place. It was decided to let the latter make up the other member of the team. They will speak against Hollywood's representatives on January 28th in the local auditorium.

The question for debate is: "Resolved, That the California legislature at its next session should adopt a civil administrative code similar to that of Illinois." Glendale will uphold the affirmative.

Believe School Has Chance

The league of which Glendale is a member is the Southern California Debating and Oratory league and the winning team is known as the champion of southern California. Those who are familiar with the speakers representing the local school believe that Glendale has a good chance to win the championship this year.

It is proposed that on the night of the first debate the local school be represented by a large crowd of "rooters" and that yells be given to inspire the local team.

Evening News Thanked

A. T. Cowan, publisher of The Evening News, is in receipt of the following self-explanatory communication from Thomas D. Watson, in charge of the recruiting work for the Glendale national guardsmen:

Dear Sir:—On behalf of the men of the Glendale company of the California National Guard, which has recently been organized. I take this means of expressing our appreciation for the co-operation you have given us through the columns of The Glendale Evening News. This publicity was one of the largest factors in helping the formation of the Glendale company and you share with us the credit of forming a company in the record time of less than one month. The previous record was held by Burbank, California, in forming a company in two months.

Yours very truly,

floor in Glendale.

There are a reception room, billiard and pool room, reading room, cloak room, ladies' rest room and reading room, besides the large hall, and the boys may well be proud of their commodious quarters.

Committees Are Named

New committees have been appointed as follows: House committee, B. H. Conners, chairman, Joe Kucera, Vern Nieman; entertainment, Herbert Henning, chairman, Edward Moniot. Hal Philips; membership. Charles Nagle, chairman, M. Frug; sick committee, Frank V. Kiefer, chairman, William M. Pierce; visiting committee. J. F. McBryde, Dru W. Nicoles, Dr. C. M. Taylor; auditing, Harry Francy, chairman, Joe Wilson, Vern Nieman; employment, Harry McPherson, chairman, Robert Plume; Armistice Day, Dru W. Nicoles, chairman, Jesse Smith; publicity, J. F. McBryde; music, Ed Moniot.

There is also a building committee whose personnel will be announced later.

Dance Held at Burbank

Fully 200 people attended the dance given Saturday night by the Burbank and Glendale American Legion Posts in the new Dodge building at Burbank, the use of which had been donated by George E. Clayton. Music was furnished by the Glendale Post orchestra.

The floors of the two large rooms, the display room and the garage proper, had been sprinkled with cornmeal, making it splendid for dancing. Festoons and streamers in the Christmas colors were used by Mrs. Clayton in decorating the rooms.

The latter part of the evening someone suggested that a hat be passed around. In this way approximately $120.00 was collected. This was turned over to the Burbank Post of the American Legion.

Pipe Organ Dedication

The greatest event in Glendale's musical history, the dedication of Glendale Theatre's new, mammoth pipe organ tomorrow evening, is anticipated with much pleasure among Glendale residents. In fact, the interest manifested in the event is not limited to the confines of this city; many people in surrounding towns, also, are looking forward to this occasion; the news has gone forth that this is not only one of the largest and best organs in the United States, but also that it is to be played by America's premier picture theatre organist, Madame Maud Moore Clement.

As Manager Howe says, it is one thing to have a great organ, but quite another to have the organist to play it as it should be played. Impressed with this thought, Mr. Howe set about getting the best organist as well as the best organ, and to this end he made it his business to hear the greatest organists in the country. When he had heard them all, he chose Mme. Clement, not alone for her great technical skill and her wonderful versatility, but also for her unusual sympathy and complete understanding of the difficult art of playing for pictures.

Madame Clement has few peers in her art, and a rare treat is in store for those who attend the dedication of the new organ tomorrow evening.

agronomy of the University of California, college of agriculture and a representative from the San Fernando valley to be named by the Los Angeles Chamber of Commerce. The special commissioners are to serve without compensation.

Some Further Provisions

The measure further provides: "Immediately after the appointment of the commissioners they shall organize and proceed to select and purchase a farm or tract of land to be known as the university farm of the junior college of agriculture of the University of California.

"The farm or tract of land shall be of such size and acreage as in the judgment of the commission may be necessary for the purposes desired, provided, however, there shall not be less than 320 acres of first-class tillable land susceptible of irrigation. It must be, in its soil, location, climate and general environment, typical and representative of the best agricultural conditions in southern California.

"For purposes of securing or purchasing the farm, the commission shall have the power to secure and take options, or bonds for deeds, and may accept a gift of the whole or any part of said farm. They may also receive gifts of water rights, canals, ditch flume or other rights.

"The deed for said farm or tract of land, or other property purchased, shall, when the same shall have been purchased, be taken in the name of and the deed shall be made to the regents of the University of California.

Must Appoint Instructors

"The sum of $300,000 is hereby appropriated out of any moneys in the general fund of the state treasury, for the purposes of this act. After sums have been paid therefrom to cover purchase of land, the remaining portion of said appropriation shall be used exclusively for the construction of buildings and purchase of equipment and other purposes herein provided.

"The board of regents of the University of California shall appoint the necessary instructors and inaugurate and provide for the conduct of courses in each of the leading branches of agricultural industry, so regulated as to provide for popular attendance and general instruction in agriculture, domestic science, home making and other rural activities, which will best fit students for real leadership in community life."

TAX ON GASOLINE

PROPOSED LEVY OF 1 CENT A GALLON ON GAS IS CAUSE OF OPPOSITION

From all over the state, according to information received by The Evening News from Sacramento, a storm of protest is arising over the plan of Senator E. P. Sample of San Diego to levy a tax of 1 cent per gallon on all gasoline and distillate sold in California for automobiles, trucks ands tractors.

The claim is made that the automobile industry is already overburdened and that the tax would be unjust. The further claim is made that "the laboring man could not afford to meet the increase."

Senator J. A. Rominger of Long Beach says he received twelve telegrams in a single day from that city protesting against the proposed taxation.

GETS STATE JOB

MRS. H. A. CABLE IS CHOSEN DEPUTY LABOR OFFICIAL FOR LOS ANGELES

Of interest in Glendale especially to members of the Tuesday Afternoon club, to many of whom she is well known, is the announcement that Mrs. H. A. Cable of Los Angeles has been appointed a deputy state labor commissioner for that city, to succeed her husband, who died recently.

Mrs. Cable states her appointment has just been received from State Labor Commissioner McLaughlin and that she will at once enter upon her work.

Mrs. Cable was formerly president of the California Federation of Women's clubs and during the war was a member of the State Council of Defense. She has been active for many years in club and society circles.

AUTO LICENSES

GOVERNOR STEPHENS TO GET PLATE NO. 1 AND NO. 13 GOES TO CASHIER

Information received by The Evening News from Sacramento is to the effect that a total of $138,140.80 has been received so far at the capital in fees for new license plates for automobiles, the figures being furnished by Charles J. Chenu, superintendent of the state's motor vehicle department.

Governor Stephens will get license No. 1, as is the custom. License No. 13 goes to W. H. Marsh, cashier of the motor vehicle department, who says that number is a hoodoo to highwaymen and burglars.

George R. Babcock of Oakland gets No. 23. He put in his plea for that number long before registration began.

MAY ANCHOR HEADLIGHTS

Many of the light diffusing devices now popular are designed to operate when in a certain fixed position. Vibration may loosen the glasses in their rims so that the whole lens creeps around and the diffusing properties are lost. Some of these glasses have a means of anchoring them firmly in place, but others have not, and it is up to the car owner to see that they are properly in place. Screws may be used for fastening them and a lock washer should be inserted under each of them.

ADVENTISTS ACT

CONFERENCE COMMITTEE, IN MEMORIAL, IS OPPOSED TO BLUE LAWS

In a memorial adopted by the general conference committee of Seventh-Day Adventists, just made public at Washington, Sunday blue laws are described as encroachment of civil power into the spiritual realm.

The memorial asserts that the separation of church and state was essential to the country's well-being and that failure to recognize this distinction had been the preliminary cause of religious persecution.

The present "strong organized efforts" to secure blue law enactments, it added, "are destructive to the church and state, however innocent they may appear, and if successful will eventually destroy the pillars upon which our government is founded."

Calls It Religious Duty

"Sabbath keeping is not a civil, but a religious duty," the memorial declares. "Congress has nothing whatever to do with the question of its observance.

"Only those whose hearts God has changed can truly keep a holy Sabbath. No legislation by congress can change the human heart.

"Honest labor is not more uncivil on Sunday than on Monday. It is only religious prejudices which are disturbed by labor on this day rather than on other days. But bolstering of some particular theological dogma and protecting the religious prejudices of citizens is not the business of congress."

FIND COPPER ORE DEPOSIT

WINNIPEG, Man.—A rich deposit of nickel copper ore, 800 feet long and from 100 to 400 feet wide, has recently been discovered at Bear River by Dr. J. E. Wilkinson. The ore occurs in norite, which the discoverer claims is exactly similar to the Sudbury norite.

NOTICE OF TRUSTEE'S SALE

Whereas, by a Deed of Trust, dated September 9, 1919, recorded September 17, 1919, in book 6950, page 73, of Deeds, Records of Los Angeles County, California, to which record reference is hereby made, S. J. Williams and Blanche Williams, his wife, did grant and convey the property therein and hereinafter described to the Title Guarantee and Trust Company, as trustee, to secure, among other things, the payment of one certain promissory note, in favor of D. McPeak, and other sums of money advanced and interest thereon.

Whereas, said D. McPeak has for a valuable consideration sold and assigned said note and duly endorsed the same to J. C. Pollock; and

Whereas, there has been a default in the payment of the balance of the principal of said note, according to the terms thereof, and of interest due and payable thereon amounting to the sum of Seventy-six and 80-100 ($76.80) Dollars, there being the total sum of Eighteen Hundred Seventy-six and 80-100 ($1876.80) Dollars now due and unpaid; and

Whereas, in accordance with the provisions of Section 2924 of the Civil Code of the State of California, said D. McPeak, the owner and holder of said note and trust deed, on September 8, 1920, caused to be recorded in the office of the County Recorder of said Los Angeles County a notice of such default in the payment of principal and interest and of his election to cause the property described in said trust deed to be sold, in accordance with the provisions thereof, to satisfy said obligation, which notice of default and election to sell was duly recorded in Book 7387, page 52 of Deeds, Records of said Los Angeles County; and

Whereas, said Trust Deed provides that, if there is a default in the payment of any of the sums secured thereby, upon application of the holder of said note, the trustee shall give notice and sell so much of the property as shall be necessary to satisfy the indebtedness secured thereby.

Whereas, said J. C. Pollock, by reason of the default in payments as stated, has requested the Title Guarantee and Trust Company to give notice and to sell said property, or so much thereof as shall be necessary to sell, to pay all the indebtedness secured and expenses incurred necessary to the execution of said trust.

Now therefore, notice is hereby given that the Title Guarantee and Trust Company by virtue of the authority vested in it as Trustee, will sell at public auction, to the highest bidder, for cash in gold coin, on the 29th day of January, 1921, at the hour of 11 o'clock a. m. of said day, at the western front entrance of the Court House in the City of and County of Los Angeles, State of California, all the interest conveyed to it by said Trust Deed, in and to all the following described property, to-wit:

Lot Twenty-three (23) of the Glendale Mountain View Tract, in the Rancho San Rafael, in the City of Glendale, County of Los Angeles, State of California; as per map recorded in Book 11, page 126 of Maps, in the office of the County Recorder of said County; or so much thereof as shall be necessary to pay the total amount of the principal, interest, advances, charges, and costs, amounting to the sum of Twenty-one Hundred and 00-100 Dollars ($2100.00), due and unpaid.

In witness whereof, the Title Guarantee and Trust Company has duly authorized this notice, by the signature of its Vice-President, attested by its Assistant Secretary, who has affixed the Corporate Seal, at Los Angeles, California, this 28th day of December, 1920.

Meat Prices for This Week

I am simply dumbfounded at the volume of business I did last Saturday. I want to thank the people of Glendale for their liberal patronage and want to assure them that I will make effort to merit a continuation of it. My object is to do a large volume of business with a small profit on each sale and to handle only the very best meats and produce.

In a few days I shall have installed a telephone and delivery service so that you can get your supplies without having to personally call.

Whether you buy 15 cents worth or a dollar's worth you will receive the same consideration and service.

The following prices which were quoted last Saturday will prevail up to next Saturday, when still lower figures will be quoted:

For Monday, Tuesday, Wednesday, Thursday and Friday

(Should wholesale price on any of these drop further before next Saturday I will so advertise during the week. For instance, the price of Snowdrift has declined and I am giving you the benefit of it.)

Fliers In This State

BERKELEY, Cal.—There is more flying in California than there is to be seen in any one district in Europe, declared C. E. Ruckstell at a meeting of the Allied Fliers' club here. Ruckstell recently returned from Europe, where he attended the Gordon Bennett races as one of the staff of the Dayton-Wright airplane entry. While in Europe Ruckstell investigated the progress of aviation in Italy, Germany, France and England.

"There is little flying in Italy, and practically none in the Italian army, although the army is large," Ruckstell said.

"Caproni, in Italy is now working on a 100-passenger tri-plane. This machine is along new lines. It will have three wings vertically and three horizontally, making three sets of three wings each. The center set will be a little higher than the others, making the cutting edge of each wing on a level between the forward wings. This 100-passenger plane is to be equipped with eight Liberty motors, generating 3200 horsepower."

Even in France and England there is little commercial flying. And outside of passenger lines between London and Paris, and London and Amsterdam, one sees few airplanes, he said.

A London carriage manufacturer employs more than 300 one-armed men.

Use Wireless Telephone

SHANGHAI—Wireless telephony has been put into practical use in China and today every fire truck in the Shanghai International Settlement Fire department is equipped with a radio outfit with which to communicate with the stations to which they are attached. The primary cause of the innovation is the poor local telephone service. In the Chinese districts where most of the fires take place there are no telephones. In the foreign districts it takes from ten to fifteen minutes to put through a call at night.

As a result of this condition the community has erected "Watch Towers"—Shanghai being on level land where a blaze may be seen at a great distance. But Chief W. W. Pett found that his executive officers in the stations had difficulty in getting in touch with their men at fires and so he tried out wireless telephony.

COW LEADS TO FINDING BODY

LAKEPORT, Cal.—James Walker, rancher, near here, was awakened recently by a bawling cow, who kept up such a strident bellowing that he was forced to investigate. He went out into the night and located the cow. It was his brother's and had not been milked for two days.

Next morning Walker hurried over to his brother's farm and discovered his brother had been dead two days from a sudden attack of pneumonia.

GIRL TRAPS HIGHWAYMEN

WINONA, Miss. — Prompt action by Mary Dodd, an 18-year-old girl, resulted in the capture of three alleged highwaymen who, after killing C. T. Reeves, jailer, escaped from the county jail at Memphis, Tenn. One of the escaped prisoners, Clyde Hamilton, was shot and killed in resisting arrest.

The three men, crossing Mississippi, left a train at Winona and went to the Dodd home for water.

Mary, alone in the house, supplied water for them ,and recognizing them as the men pictured in a Winona newspaper as wanted in Memphis, notified the sheriff as soon as they left.

WEATHER PROPHET ACCUSED

SANTA CLARA, Cal., Jan. 14—Sing Kee, Santa Clara's weather prophet, of the croaking frog fame, who has made more right guesses in future weather it is declared, than any other person on the coast, has enlarged his dealings in futures, according to the police here.

This week the police authorities descended upon the tranquility of Sing Kee and his bottled frog at the weather prophet's laundry in search of lottery tickets.

According to the police $200 in tickets were discovered, but Sing Kee had felt the coming of bad weather and fled.

GOVERNOR AIDS

STATE EXECUTIVE TO COME SOUTH TO SPEAK BEHALF MAJOR LINEBERGER

Governor William D. Stephens will give a week to campaigning in the Ninth Congressional district in behalf of Major Walter F. Lineberger, candidate for congress in this district, according to information received by the major.

The time will be either the last week in January or the first week in February, and the governor will deliver addresses in Glendale, Pomona, Pasadena and Long Beach.

Although the governor has not decided on definite dates for his proposed tour, it is probable that the February dates will be chosen. Major Lineberger favors the chief executive's visit for a February date, since by this arrangement the governor will be present at Long Beach's first annual industrial exposition and will have the opportunity of meeting the thousands of people who will visit the city for that event.

FOR NEAR EAST

LOCAL ORGANIZATIONS GIVE SUPPORT TO MOVEMENT TO OBTAIN FINANCES

Glendale is showing a commendable humanitarian spirit in the matter of Near East relief.

Every church and every organization is doing a share towards saving the children of the stricken countries from extermination by starvation. At the last meeting of the Tuesday Afternoon club a number of the members pledged themselves to raise $60 each for the support of one starving child.

Members of the First Methodist church at the morning service yesterday raised the very gratifying sum of $1500 for Near East relief. In the afternoon a mass meeting was held there. A. Lincoln Wirt, a war worker who has since been engaged in reconstruction work in the Near East, made an appeal whose eloquence was emphasized by his firsthand knowledge of his subject.

LOWDEN COMING

ILLINOIS MAN IS EXPECTED TO ARRIVE TODAY; WILL SPEAK AT BANQUET

Republicans of Glendale, especially former residents of Illinois and Illinois people spending the winter here, will be interested in the statement that Governor Lowden of Illinois is due to arrive in Los Angeles from Chicago today.

Governor Lowden will be the guest of the Union League club, and he will, it is understood, give an address under the auspices of the Los Angeles County Republican Central committee at a dinner to be held at the club during the week.

As one of the leading candidates for the presidential nomination, Governor Lowden attracted national attention and he is now being considered, it is said by his friends, for a place in the cabinet being formed by President-elect Harding.

SOME TAX FACTS

BRIEF RESUME IS GIVEN ON IMPORTANT REQUIREMENTS OF LAW FOR 1921

For the benefit of those who have to pay an income tax for the year 1921, The Evening News gives the following epitomized fundamentals of the law.

Those who must make returns are single persons who had net incomes of $1000 or more for the year 1920, and married couples who had net incomes of $2000 or more.

The law provides that March 15, 1921, is the final date for filing returns and making first payments. Returns should be made to the collector of internal revenue in the district in which the taxpayer resides. Los Angeles is in the sixth district and the collector has offices in the federal building.

Way to Make Returns

The way to make returns is to follow directions in the blank you receive, which will be Form 1040A or Form 1040, according to the amount of your income, and the interpretation of the law and regulations as printed from time to time.

It is announced that the rate will be four per cent normal tax on taxable income up to $4000 in excess of exemption. Eight per cent normal tax on balance of taxable income. Surtax from 1 per cent to 65 per cent on net incomes over $5000.

CHIPPED GEARS

Chipping on the gears is usually caused by gears that are too hard, a pinion too far in or too far out of mesh with the ring gear, improper alignment of either of the gears or a ring gear sprung or bent. The best remedy is to install new gears, but sometimes the chips may be fished out through the grease plug hole, or housing cover, after loosening it with a screw driver or punch, thus avoiding the necessity of dissembling the housing. If a number of teeth chip off at the outer ends chamfer them by grinding.

PLANS BANQUET

COUNTY MEDICAL ASSOCIATION TO HOLD CELEBRATION ON FIFTIETH ANNIVERSARY

Physicians of Glendale are in receipt of invitations to the celebration of the fiftieth anniversary of the founding of the Los Angeles County Medical association, to be held on January 31.

A dinner will be held at the Ambassador hotel in honor of the three living founders of the association, Dr. Walter Lindley, Dr. Joseph Kurts and Dr. J. P. Widney.

Plans are being made to entertain about 1,000 guests. Dr. Harlan Shoemaker is chairman of the committee on arrangements. An honorary committee of 100 is to be named.

SPOTLIGHT ON LAWBREAKERS

SALT LAKE, Utah — A giant searchlight has been enlisted by this city in its campaign for a smokeless city. The searchlight is an eighteen-inch navy type and was loaned to the city by the Utah Power & Light company. It has been installed on one of the tall buildings of the city and will be flashed over the city's skyline to search out the lawbreakers of the city's new smoke ordinance. All chimneys where dense black smoke is discovered will be reported to the authorities. Notifications will be sent out to those found having smoky chimneys and warning will be enclosed that flues or badly tended fires be looked after, according to city officials.

HOUSE NUMBERS

ENTIRE CITY IS INCLUDED IN NUMBERING SYSTEM; ISSUE NOTICES ON FIGURES

The entire city of Glendale is now included in the house numbering system. The Grand View and Selvas de Verdugo districts have at last had numbers assigned to all the lots, though the householders have not yet all been notified as to what figures to put on their houses.

Probably by the time the next directory is issued every house in Glendale will have its proper number.

SHE'S MUCH KIDNAPPED GIRL

CHICAGO—Life is just one kidnapping after another for Pauline Pillman, 6 years old.

Pauline was living with her mother, Mrs. Gladys Crocker, at Racine, Wis., when a motor car drove up to the door and several men grabbed her. She was taken to the home of her father, who is living here, having obtained a divorce from his first wife. The father contended courts had awarded him the custody of the girl.

Three women and a man drove up to the Pillman home here last night and again the girl was seized and rushed to her Racine home.

Courts probably will be called on to decide who shall have the child.

Sometimes one feels that he could place as much confidence in an ouija board as a board composed of some men.
